AFP Transformer AFP-TRANSFORMERS.com
500 VA – 3000 kVA Dry-Type and Epoxy Cast Transformers
up to 37 KV class, Motor Starting Autotransformers, Line
Reactors, Drive Isolation Transformers, Neutral Grounding
Transformers, Furnace Transformers

CI Agent CIAGENT.com
Hydro Carbon Barrier Booms, Mats and Solidifiers for Oil
Spill Containment and Clean-up

Controlled Power Co. CONTROLLEDPWR.com
Emergency Lighting Inverters, Uninterruptible Power
Systems, Power Conditioners, Voltage Regulators, Power
Distribution Units, Double Isolation Transformers

Coolcentric COOLCENTRIC.com
LiquiCool Rear Door Heat Exchanger up to 35 KW per rack.

Cooper Power Systems COOPERPOWER.com
RTE, McGraw Edison, Keamey, and Kyle Medium Voltage
Products including Liquid Filled Substation and Pad-Mounted
Transformers through 10MVA, Regulators, Capacitors,
Switches, Reclosers, Sectionalizing Cabinets, Arrestors,
Pad-Mounted Switchgear, and Cable Connection Systems

Dynapower Corp. DYNAPOWER.com
Ultracast Cast Coil Transformers through 10MVA, 2.4 –
34.5KV Primary 208/120 – 4160 Secondary, 200KV BIL

East Coast Power Systems ECPOWER SYSTEMS.com
Low Voltage Switchgear, Switchboards, Panel
Boards, Retrofit panel board interiors, Utility CT / Metering
cabinets, pull boxes, custom wire-ways, ASCO Automatic
Transfer Switch,
custom motor control centers

Eaton Electrical EATONELECTRICAL.com
Cutler-Hammer Power Quality including; Surge Protective
Devices, Power Factor Correction Capacitors, HMT
Transformers

ES&S ELECSYSSTRUC.com
Medium Voltage Metal-Enclosed and Metal-Clad Switchgear,
Low Voltage Switchgear and Switchboards, Relay Panels,
Power Distribution Centers, Portable Substations

Gilbert Electrical GILBERTELECTRICAL.com
MV Capacitor and Filter Banks, Reactors

I-Gard I-GARD.com
Neutral Grounding Resistors – High & Low, Ground Fault
Protection Relays, Arc Flash Mitigation Relays, Custom
Loadbanks, Dynamic Braking, and Harmonic Filters

Innovative Technology INNOVATIVETECHNOLOGY.com
Surge Protection Devices SPD/TVSS for Distribution and
Telco Applications

MGM Transformer Co. MGM-TRANSFORMER.com
Dry-Type Transformers through 5000 KVA and 34.5 KV;
Designs include General Purpose, K-Factor, Secondary
Substation and Pad-Mounts, Drive isolation and Marine Duty

PACS PACSINDUSTRIES.com
5 – 38 KV Arc Resistant Switchgear, Power and Control
Centers, Catenary Switchgear

PARK PARKDETROIT.com
Padmount Air Insulated Gear with S&C components,
Primary Metering Cubicles, Medium Voltage Busway,
NSTAR approved Metal-Enclosed Switchgear and
Collector Bus, Cable Transclosures, Limiter Lug Cabinets

Power Design Inc. POWERDESIGNINC.com
Fiberglass 15KV, 25KV and 35KV Sectionalizing Cabinets,
Pad mounted Switchgear, Primary Metering Enclosures and
Fiberglass Buildings

Power Quality Int'l. POWERQUALITYINTERNATIONAL.com
Zero Sequence Passive Harmonic Filters, Harmonic
Filtering Transformer for Distribution or Drive Isolation

Primax PRIMAX-e.com
Station Battery Chargers, Rectifiers, Inverters, DC
Power Supplies Converters, Batteries

WEG Transformer WEG.net
Power Transformers, 10 - 350 MVA up to 550 KV
Class
