Associated Substation Engr.

www.ASENG.com

Electrical and Mechanical Engineering, Design, and Material Packaging of Electrical High Voltage Substations thru 345 KV

CDR Systems

www.CDRSYSTEMS.com

Transformer Pads, Underground Service Boxes and Vaults made of Polymer Concrete and Fiberglass, and Above Ground Fiberglass Enclosures

CI Agent

www.CIAGENT.com

Hydro Carbon Barrier Booms, Mats and Solidifiers for Spill Containment and Clean-up

Controlled Power Co.

www.CONTROLLEDPWR.com

Power Conditioners, Voltage Regulators, Double Isolation Transformers, Emergency Lighting Inverters

Cooper Power Systems

www.COOPERPOWER.com

RTE, McGraw Edison, Kearney, and Kyle Medium Voltage Products including Liquid Filled Substation and Pad-Mounted Transformers through 10MVA, Regulators, Capacitors, Switches, Reclosers, Sectionalizing Cabinets, Arrestors, Pad-Mounted Switchgear, and Cable Connection Systems

Dynapower Corp.

www.DYNAPOWER.com

Ultracast Cast Coil Transformers through 10MVA, 2.4 – 34.5KV Primary 208/120 – 4160 Secondary, 200KV BIL

Eaton Electrical

www.EATONELECTRICAL.com

www.POWERWARE.com

Powerware 3-phase UPS & PDU's, and Cutler-Hammer Power Quality Products including Surge Suppression, Power Factor Correction, Automatic Transfer Switches, and Harmonic Mitigating Transformers

General Switchgear Inc.

www.GENERALSWITCHGEAR.com

Medium Voltage Metal-Enclosed and Metal-Clad Switchgear, Low Voltage Switchgear and Switchboards

Gilbert/K&M Electrical

www.GILBERTELECTRICAL.com

MV Reactors, Cable Transclosures

Kuhlman Electric Corp.

www.KUHLMAN.com

Power Transformers, Cylindrical Coil Design, MVA through 30/40/50 MVA, 161 KV, 650 KV BIL, Load Tap Changers, CT's 600V-34.5 KV, 600 PT's, Oil-Filled CT's and PT's 15-138KV Class

MGM Transformer Co.

www.MGM-TRANSFORMER.com

Dry-Type Transformers through 5000 KVA and 34.5 KV; Designs include General Purpose, K-Factor, Secondary Substation, and Pad-Mounts

PARK

www.PARKDETROIT.com

Padmount Air Insulated Gear, Primary Metering Cubicles, Medium Voltage Busway, NSTAR approved Metal-Enclosed Switchgear and Collector Bus

Power Quality Int'l.

www.POWERQUALITYINTERNATIONAL.com

Zero Sequence Passive Harmonic Filters, Harmonic Filtering Transformers, for Distribution or Drive Isolation Applications
