AFP Transformer

AFP-TRANSFORMERS.com

500 VA – 3000 kVA Dry-Type and Epoxy Cast Transformers up to 37 KV class, Motor Starting Autotransformers, Line Reactors, Drive Isolation Transformers, Neutral Grounding Transformers, Furnace Transformers

Eaton Electrical

EATONELECTRICAL.com

Cutler-Hammer Power Quality including: Surge Protective Devices, Power Factor Correction Capacitors, HMT Transformers

PACS

PACINDUSTRIES.com

5 – 38 KV Arc Resistant Switchgear, Power and Control Centers, Catenary Switchgear

CI Agent

CIAGENT.com

Hydro Carbon Barrier Booms, Mats and Solidifiers for Oil Spill Containment and Clean-up

ES&S

ELECSYSSTRUC.com

Medium Voltage Metal-Enclosed and Metal-Clad Switchgear, Low Voltage Switchgear and Switchboards, Relay Panels, Power Distribution Centers, Portable Substations

PARK

PARKDETROIT.com

Padmount Air Insulated Gear with S&C components, Primary Metering Cubicles, Medium Voltage Busway, NSTAR approved Metal-Enclosed Switchgear and Collector Bus, Cable Transclosures, Limiter Lug Cabinets

Controlled Power Co.

CONTROLLEDPWR.com

Emergency Lighting Inverters, Uninterruptible Power Systems, Power Conditioners, Voltage Regulators, Power Distribution Units, Double Isolation Transformers

Gilbert Electrical

GILBERTELECTRICAL.com

MV Capacitor and Filter Banks, Reactors

Primax

PRIMAX-e.com

Station Battery Chargers, Rectifiers, Inverters, DC Power Supplies Converters, Batteries

Cooper Power Systems

COOPERPOWER.com

RTE, McGraw Edison, Kearney, and Kyle Medium Voltage Products including Liquid Filled Substation and Pad-Mounted Transformers through 10MVA, Regulators, Capacitors, Switches, Reclosers, Sectionalizing Cabinets, Arrestors, Pad-Mounted Switchgear, and Cable Connection Systems

I-Gard

I-GARD.com

Neutral Grounding Resistors – High & Low, Ground Fault Protection Relays, Arc Flash Mitigation Relays, Custom Loadbanks, Dynamic Braking, and Harmonic Filters

Power Quality Int'l.

POWERQUALITYINTERNATIONAL.com

Zero Sequence Passive Harmonic Filters, Harmonic Filtering Transformer for Distribution or Drive Isolation

Dynapower Corp.

DYNAPOWER.com

Ultracast Cast Coil Transformers through 10MVA, 2.4 – 34.5KV Primary 208/120 – 4160 Secondary, 200KV BIL

Innovative Technology

INNOVATIVETECHNOLOGY.com

Surge Protection Devices SPD/TVSS for Distribution and Telco Applications

WEG Transformer

WEG.net

Power Transformers, 10 - 350 MVA up to 550 KV Class

MGM Transformer Co.

MGM-TRANSFORMER.com

Dry-Type Transformers through 5000 KVA and 34.5 KV; Designs include General Purpose, K-Factor, Secondary Substation and Pad-Mounts, Drive isolation and Marine Duty
