AFP Transformer

AFP-TRANSFORMERS.com

500 VA – 3000 kVA Dry-Type and Epoxy Cast Transformers up to 37 KV class, Motor Starting Autotransformers, Line Reactors, Drive Isolation Transformers, Neutral Grounding Transformers, Furnace Transformers

CI Agent

CIAGENT.com

Hydro Carbon Barrier Booms, Mats and Solidifiers for Oil Spill Containment and Clean-up

Controlled Power Co.

CONTROLLEDPWR.com

Emergency Lighting Inverters, Uninterruptible Power Systems, Power Conditioners, Voltage Regulators, Power Distribution Units, Double Isolation Transformers

Coolcentric

COOLCENTRIC.com

LiquiCool Rear Door Heat Exchanger up to 35 kw per rack

Cooper Power Systems

COOPERPOWER.com

RTE, McGraw Edison, Kearney, and Kyle Medium Voltage Products including Liquid Filled Substation and Pad-Mounted Transformers through 10MVA, Regulators, Capacitors, Switches, Reclosers, Sectionalizing Cabinets, Arrestors, Pad-Mounted Switchgear, and Cable Connection Systems

East Coast Power Systems

ECPOWER SYSTEMS.com

Low Voltage Switchgear, Switchboards, Panel Boards, Retrofit panel board interiors, Utility CT / Metering cabinets, pull boxes, custom wire-ways, ASCO Automatic Transfer Switch, custom motor control centers

ES&S

ELECSYSSTRUC.com

Medium Voltage Metal-Enclosed and Metal-Clad Switchgear, Low Voltage Switchgear and Switchboards, Relay Panels, Power Distribution Centers, Portable Substations

Gilbert Electrical

GILBERTELECTRICAL.com

MV Capacitor and Filter Banks, Reactors

I-Gard

I-GARD.com

Neutral Grounding Resistors – High & Low, Ground Fault Protection Relays, Arc Flash Mitigation Relays, Custom Loadbanks, Dynamic Braking, and Harmonic Filters

MGM Transformer Co.

MGM-TRANSFORMER.com

Dry-Type Transformers through 5000 KVA and 34.5 KV; Designs include General Purpose, K-Factor, Secondary Substation and Pad-Mounts, Drive Isolation and Marine Duty

PACS

PACSINDUSTRIES.com

5 – 38 KV Arc Resistant Switchgear, Power and Control Centers, Catenary Switchgear

PARK

PARKDETROIT.com

Padmount Air Insulated Gear with S&C components, Primary Metering Cubicles, Medium Voltage Busway, NSTAR approved Metal-Enclosed Switchgear and Collector Bus, Cable Transclosures, Limiter Lug Cabinets

Power Design Inc.

POWERDESIGNINC.com

Fiberglass 15KV, 25KV and 35KV Sectionalizing Cabinets, Pad mounted Switchgear, Primary Metering Enclosures and Fiberglass Buildings

Power Quality Int'l.

POWERQUALITYINTERNATIONAL.com

Zero Sequence Passive Harmonic Filters, Harmonic Filtering Transformer for Distribution or Drive Isolation

WEG Transformer

WEG.net

Power Transformers, 10 – 350 MVA up to 550 KV Class
